'Medea' — UIL One Act — '77

The Tudor (Billy Williams), watchdog of Jason's children (Kathy Ramey and Reggie Walker), tells the Nurse (Susan Carson) of a rumor he has heard of Medea and the children's exile.

King Kreon (Randall Foster) has come to send Medea (Lana Stuart) into black exile.

The Ladies of Corinth (Tanya Terry, Becky Maupin, and Belinda Clegg) try to talk Medea out of her evil dogs.

Medea hands poisoned gifts to the children to give to the King's daughter who has taken Medea's husband, Jason. The chorus women, Nurse, and Tudor watch as the children take the poisoned gifts.

The messenger (Mark Young) has returned to tell Medea what has happened to the young princess who has accepted her gifts.

Medea makes Aegeus (Ronald Carson) swear he will protect her in the land of Athens where his kingdom is.

Medea has slain her children and Jason (Danny Davis) mourns for them. He begs to touch their flesh, but she refuses his plea. The Women of Corinth and the Nurse mourn with Jason over the evil that has been done.

Superintendent of Schools

J. D. Parrish

In the office of the superintendent are copies of the school annuals from the 1941-42 school year to the present time. The Superintendent's Message for the 1941-42 school year reads in part as follows: "The production of this, our first year book marks another step forward in the progress of our school."

The 1977-78 school annual marks the 36th year of recording students, activities, faculty, school board, and other items of interest. Anyone reviewing these year books has to be impressed not only with the constant improvement of the annual itself, but with the overall progress of the school program and educational opportunities of our schools as reflected through the years.

In my many years with the school, I have noted with satisfaction the dedication and pride of those students working on the annual staff, and the joyful occasion of the student body upon receiving THE DEN.

The annual staff is to be congratulated for their achievements in this field. As have others before you, this annual will recall memories now and for future years for all present students. When old age comes to you, it will still be a pleasure to look occasionally at your high school annual.

Sincerely,

J. D. Parrish

Let us give your skin care program a big plus. Redken pH Plus.

If your skin is dry, taut and rough, if you're using alkaline makeups and beauty aids, you may be courting dryness, telltale lines and other nasty signs of the times. You may be causing your skin to appear aged before its time.

We can help you maintain the delicate acid mantle nature gave your skin with pH Plus. pH Plus is an acid-balanced skin treatment collection, scientifically formulated with collagen protein derivatives, vitamins, minerals, wheat germ oil, emollients and other ingredients your complexion will thrive on.

Let us help you chart a program that will give your complexion what it needs. Stop by our salon today and give your complexion a big plus...pH plus by Redken.
